Super Doubles Playoffs Rules:

- Winner of each event will qualify for Super Doubles Playoffs; you can have only 1 spot in Playoffs.
- Once you WIN your first event then you and your partner will be LOCKED in Super Doubles Playoffs.
- If same team wins another event then Runners Up will qualify for Playoffs and winner gets money for 2nd place.
- Handicaps in the Super Doubles playoff are determined by the event that a team wins, not by the team's ranking. For example, if an expert team wins Pro Doubles, their handicap is 7 (Pro handicap), not 6, because they won the Pro event. Similarly, whoever wins Open Doubles has a Pro Master handicap (8).
- 1 game, first team to their number (#) wins. See the number you play to in the bracket on the cover page of this flyer.
- If teams have same number (#) they play to 8.
- Team giving point spot will get the first drop. If number (#) same then coin flip determines drop.
- All Super Doubles Playoffs matches will have a Ref.
